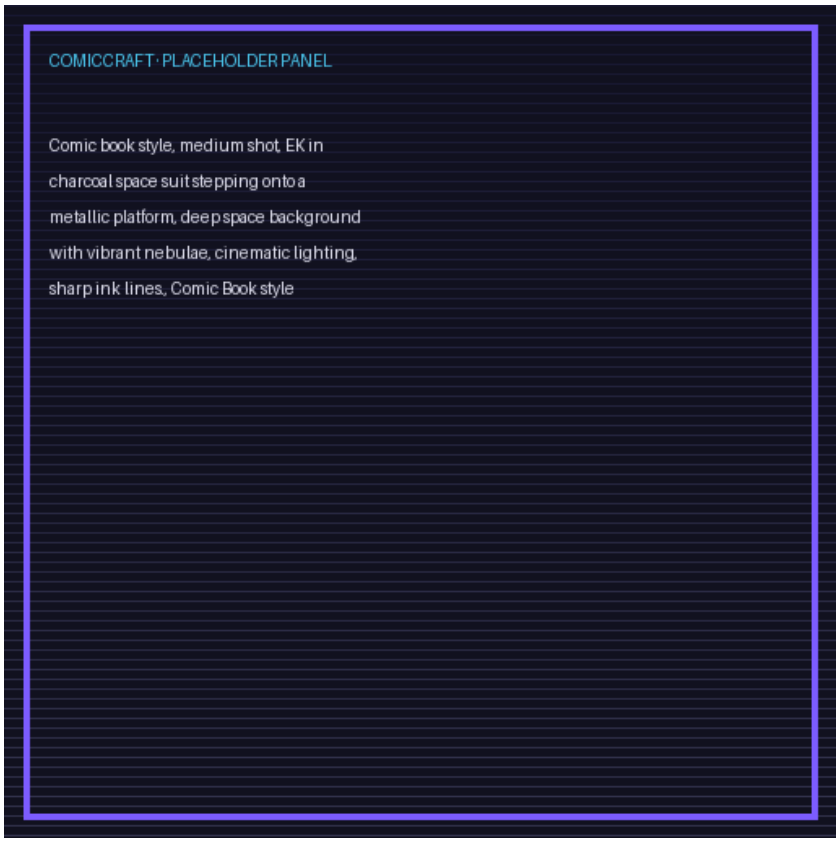
5 panels

PANEL 01

The Departure



SCENE

EK steps out from a futuristic airlock onto a floating space station walkway.

CAPTION

The edge of the galaxy, where gravity is merely a suggestion.

NARRATION

EK steps onto the floating walkway, his magnetic boots locking with a satisfying metallic click. The silence of the void is absolute, yet the universe feels alive with potential.

DIALOGUE

? EK: Systems checked. Oxygen levels nominal. Let's see what the void has in store today.

PANEL 02

The Vast Expanse

SCENE

EK walks calmly along the narrow path suspended between floating asteroids.

CAPTION

A silent stroll through the cosmic dust.

NARRATION

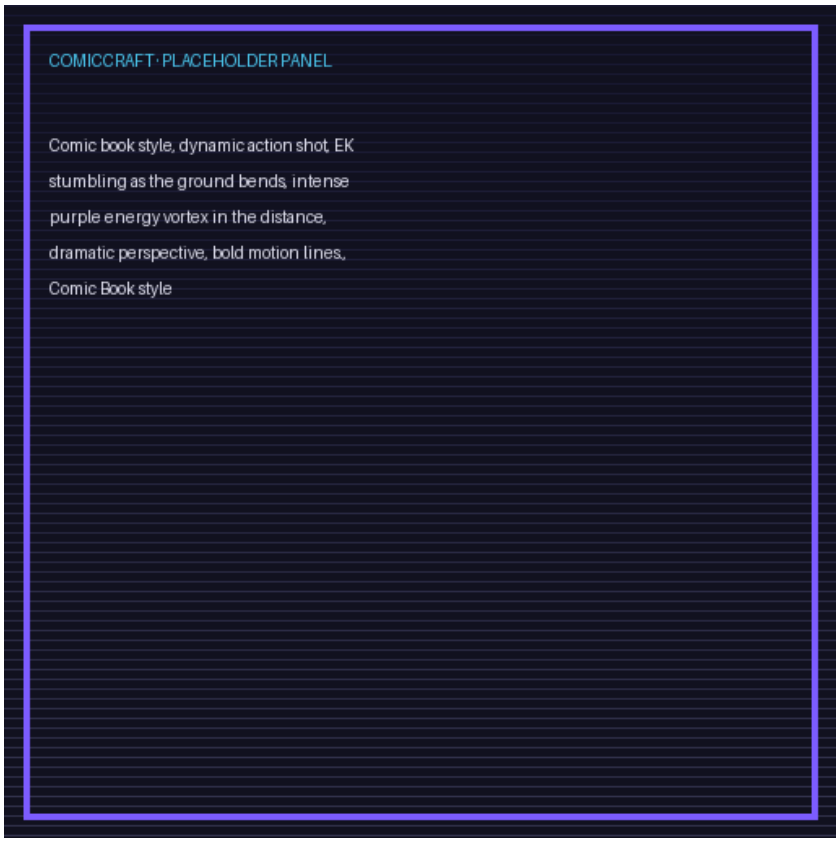
He traverses the narrow bridge with practiced ease, his charcoal suit reflecting the swirling hues of distant nebulae. It is a lonely path, but for EK, it is the only one worth taking.

DIALOGUE

? EK: Beautiful. Sometimes the quietest corners of the galaxy hold the loudest secrets.

PANEL 03

The Anomaly



SCENE

A sudden gravitational rift pulls at EK's boots as he tries to keep his balance.

CAPTION

Reality begins to fray at the seams.

NARRATION

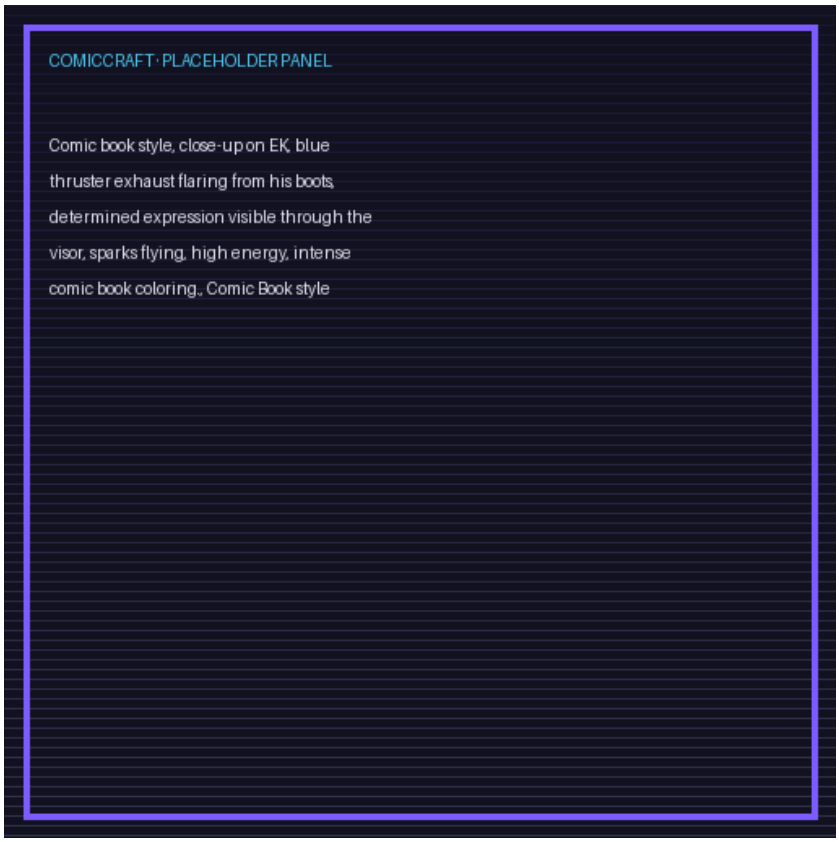
Without warning, a gravitational rift tears open, warping the space around him. EK stumbles as the walkway beneath his feet ripples like liquid silver.

DIALOGUE

? EK: Whoa! Stabilizers, compensate! This isn't on the charts!

PANEL 04

The Struggle



SCENE

EK activates his suit's thrusters to fight the pull of the anomaly.

CAPTION

Fighting against the crushing pull.

NARRATION

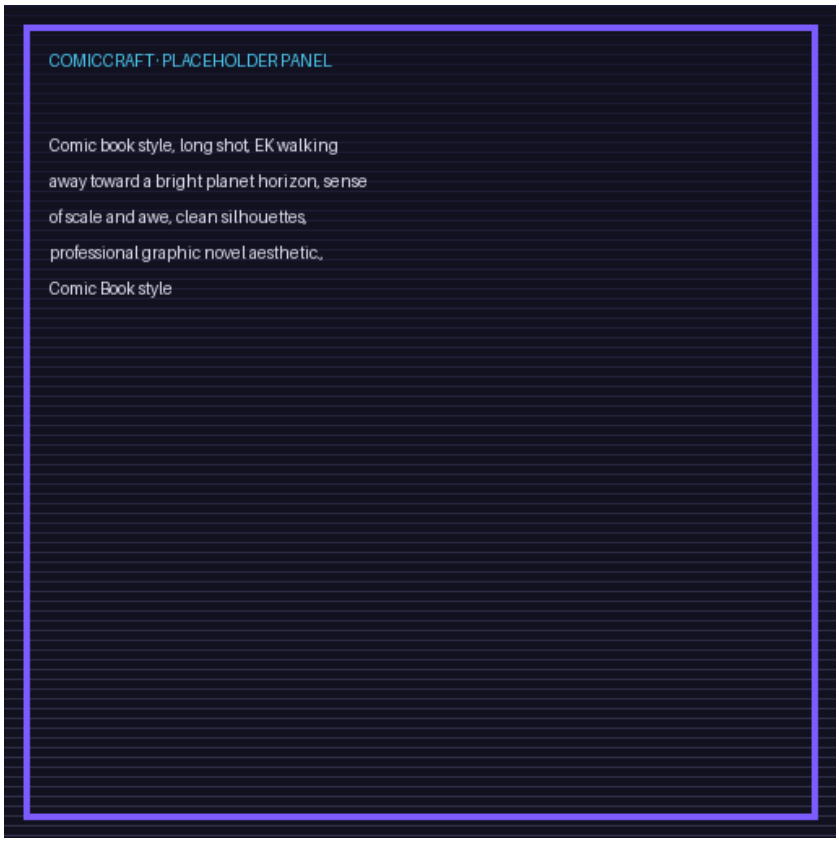
Blue fire erupts from his boots, pushing back against the vortex with blinding intensity. He grinds his teeth, muscles coiled as he forces his momentum forward.

DIALOGUE

? EK: Not today, gravity. I've got places to be.

PANEL 05

Safe Passage



SCENE

EK regains his footing and continues his walk toward a distant glowing planet.

CAPTION

The horizon calls.

NARRATION

The rift collapses, leaving behind nothing but stardust and the steady rhythm of his stride. Ahead, the glowing planet waits, an beacon of light in the infinite dark.

DIALOGUE

? EK: Just another day at the office. Now, let's see what that horizon is hiding.
